Historical Note: This chapter 11-219 is based substantially upon chapter 19-150. [Eff 12/31/84; am and comp 4/18/94]

The 4/18/94 compilation repealed §19-150-15.

§11-219-1 Purpose and scope. The purpose of these rules is to establish a uniform parking system to enhance access and the safety of persons with disabilities which limit or impair their ability to walk, and to conform to 23 CFR Part 1235, chapter 291, part III, HRS[, Act 308, SLH 1997, and Act 282, SLH 1999]. [Eff 12/31/84; am and comp 4/18/94, ren from §19-150-1, am and comp 12/15/00; am and comp] (Auth: HRS §291-56) (Imp: HRS §291-56; 23 CFR part 1235)

§11-219-2 Interpretation. These rules shall be construed liberally and consistent with the purpose stated in section 11-219-1. [Eff 12/31/84; am and comp 4/18/94, ren from §19-150-2, am and comp 12/15/00; comp] (Auth: HRS §291-56) (Imp: HRS §291-56; 23 CFR part 1235)

§11-219-3 Severability. These rules are declared to be severable and if any portion or the application thereof to any person, circumstance, or property is held invalid for any reason, the validity of the remainder of these rules or the application of the remainder to other persons, circumstances, or property shall not be affected. [Eff 12/31/84; am and comp 4/18/94, ren from §19-150-3, am and comp 12/15/00; comp] (Auth: HRS §291-56) (Imp: HRS §291-56; 23 CFR part 1235)

§11-219-14 Signage and marking of parking spaces.

(a) Parking spaces designated as reserved for [disabled] persons with disabilities shall be identified as follows:

- (1) The parking space shall be posted with the following notice signs:
 - (A) A reserved parking sign with the dimensions; background, text and graphic colors; and text and graphic sizes as shown on the "Typical Reserved Parking Sign for [Disabled] Persons["] with Disabilities" (Exhibit 1) and "Typical Reserved Parking Sign for Van Accessible Stall" (Exhibit 2), dated [7/3/00,] 7/6/01, at the end of this chapter and made a part of this section. The reserved parking sign shall be located at the front of the parking space as shown on the "Typical Perpendicular Parking Stall" (Exhibit 4) and "Typical Angle Parking Stall for One Way Traffic" (Exhibit 5), dated [7/3/00,] 7/6/01, at the end of this chapter and made a part of this section. The reserved parking sign shall be mounted [high enough above the ground to be readily visible from the driver's seat of an occupied vehicle

parked in the parking space. The reserved parking sign shall not be mounted so as to be obstructed from view by a vehicle parked in the parking space.] at minimum 80 inches above the finished floor to the bottom of the reserved parking sign.

- (B) If the parking space is designed to accommodate a passenger van, a van-accessible sign with the dimensions, background and text colors, and text size shown on Exhibit 2 at the end of this chapter. The van-accessible sign shall be posted immediately below the reserved parking sign.
 - [(C) A tow away sign warning with the dimensions, background and graphic colors, and graphic sizes shown on Exhibits 1 and 2 at the end of this chapter. The tow away sign shall be posted immediately below the reserved parking sign and van-accessible sign, if any.
 - (D) A tow information sign, in conformance with section 290-11, HRS, warning potential parkers that an unauthorized vehicle parked or standing in the parking space may be towed away at the owner's expense and stating the location to which the vehicle will be towed and held. The tow information sign shall have the dimensions, background and text colors, and minimum text shown on the "Typical Tow Information Sign" (Exhibit 6) dated 7/3/00, at the end of this chapter and made a part of this section. The tow information sign shall be placed in a location reasonably calculated to call the sign to the attention of potential parkers.]
- (2) The parking space shall be striped on two sides of the parking space in the form and

manner shown in Exhibits 4 and 5 at the end of this chapter. The striping shall be four (4) inches in width.

(b) [Access aisles are accessible pedestrian spaces adjacent to parking spaces reserved for disabled persons that provide for clearances appropriate for use of the parking space.] Access aisles shall be identified as follows:

- (1) Van access aisles shall be posted with [the following notice signs:
 - (A) A] a no parking sign with the dimensions, background and text colors, and text sizes shown on the "Typical Access Aisle Sign" (Exhibit 3) dated [7/3/00,] 7/6/01, at the end of this chapter and made a part of this section. The no parking sign shall be mounted at minimum 80 inches above the finished floor to the bottom of the no parking sign. The no parking sign shall not be mounted so as to obstruct ingress to, or egress from, a vehicle parked in the parking space.
 - [(B) A tow away sign warning with the dimensions, background and graphic colors, and graphic sizes shown on Exhibits 1 and 2 at the end of this chapter. The tow away sign shall be posted immediately below the no parking sign.]
- (2) Access aisles, other than van access aisles, shall not require additional signage. [An additional tow information sign, as specified in this section, shall not be required for access aisles, including van access aisles, associated with parking spaces reserved for disabled persons.]
- (3) Access aisles shall be outlined except on the curb side of the space and shall be diagonally striped within the outline. The outline and diagonal striping shall be four inches in width. The diagonal striping shall be at a 45 degree angle to the outline

and shall be installed in the form and manner shown on Exhibits 4 and 5 at the end of this chapter.

(c) When a [guide] directional sign is needed to direct motorists to special van-accessible parking spaces, the sign shall have a white legend on a blue background with an appropriate directional arrow.

(d) If a private or public entity provides for the towing of illegally parked vehicles, the signage shall comply with the requirements of section 290-11, HRS.
