

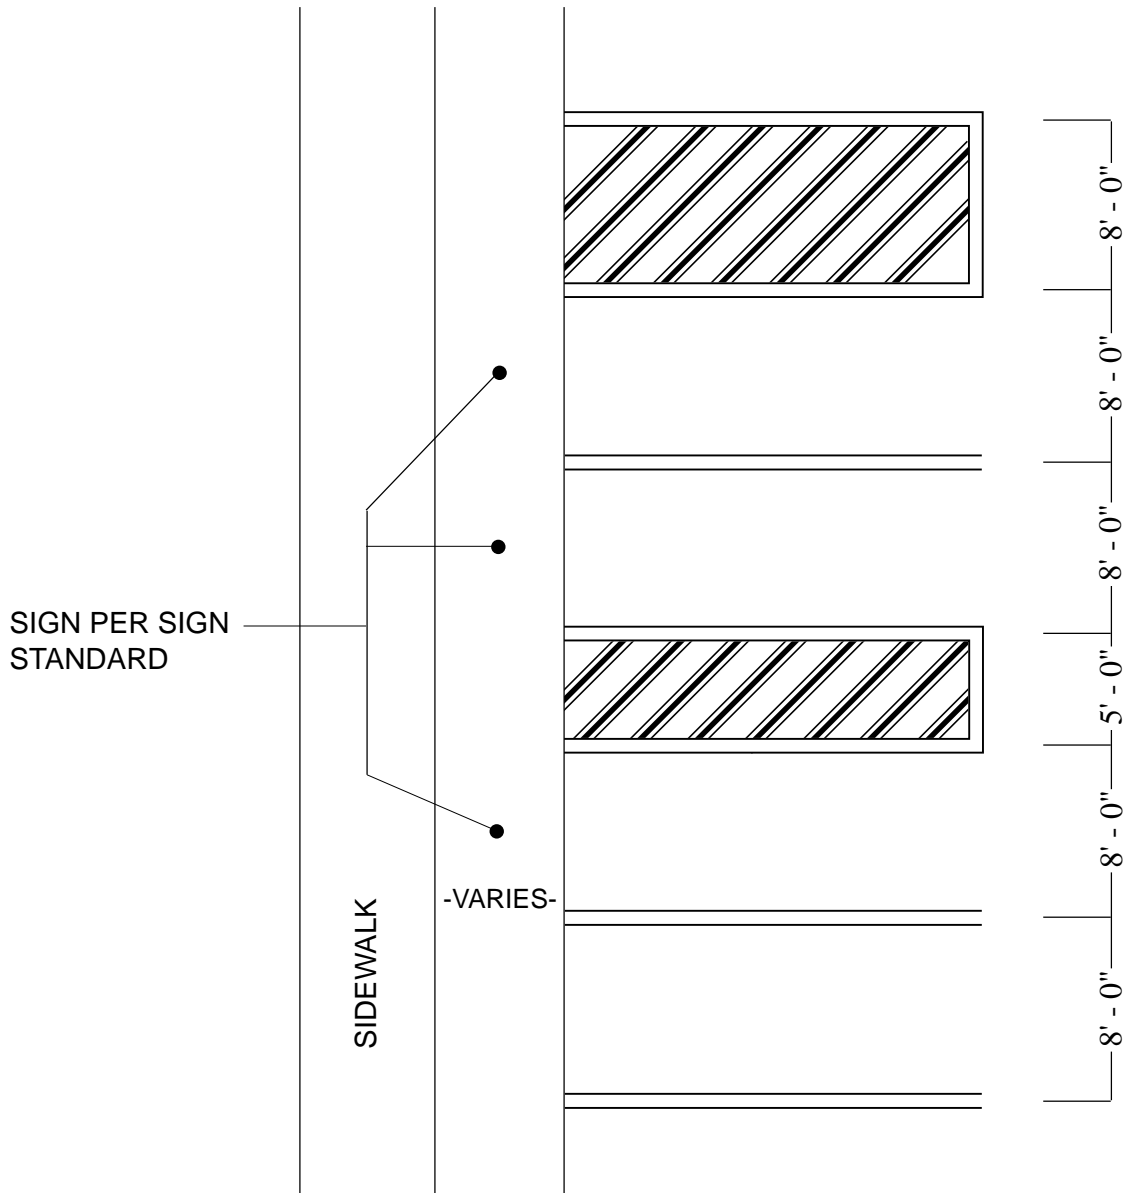

EXHIBIT 4

TYPICAL PERPENDICULAR PARKING STALL  
(7/6/01)

Notes:

- 1.No specified color requirement for striping of parking space(s) reserved for persons with disabilities and access aisle(s), although striping must be clearly visible.
- 2.No requirement to place International Symbol of Accessibility on surface of parking space(s) reserved for persons with disabilities.
- 3.Painting entire surface of parking space(s) reserved for persons with disabilities creates a slippery surface. Therefore, the practice is discouraged.
